What if I need additional coverage?

Supplemental life insurance lets you choose the level of coverage that fits your needs. During this enrollment period you may be able to increase Supplemental Life coverage without answering any health questions.

- You can increase by 1x your salary up to the guarantee issue of 3x salary or \$300,000 for yourself.
- For your spouse or domestic partner, you can increase by one option level up to \$50,000.
 - This amount can't exceed the total amount of your own life coverage
