Dental policies and plans are insured and/or administered by Aetna Life Insurance Company (Aetna).

Aetna® is part of the CVS Health® family of companies.

DISCOUNT OFFERS ARE NOT INSURANCE. They are not benefits under your insurance plan. You get access to discounts off the regular charge on products and services offered by third party vendors and providers. Aetna makes no payment to the third parties — you are responsible for the full cost. Check any insurance plan benefits you have before using these discount offers, as those benefits may give you lower costs than these discounts.

Discounts are a great way to save money. But they're not insurance. Instead, you get access to a vendor that has agreed to provide discounted prices. And it's easy to see the savings add up — you just pay the vendor directly.
