Put your passion into action with Fidelity Workplace GivingSM.

Fidelity Workplace GivingSM makes it easy to share your passion for giving and gives you a single place where you can donate your money<, time, and skills> with the organizations that inspire you to help make a better world.

Here's how it works.

Fidelity Workplace Giving on NetBenefits® provides simple ways to donate< and volunteer your time> to your favorite charities. Plus, when you make a donation, the organization will receive a <X% match and up to \$X,> that will automatically be applied with no additional paperwork needed.

<Our Volunteer Grants program also allows you to support your charity by volunteering X hours for \$X in grants.>

No matter how you decide to help, it all happens on NetBenefits, so you can track your activity and check any other benefits you may have all in one place.
